COACH’S CURRICULUM
Pre-Rally/Red Ball Practice And Play Plans

PRE-RALLY / RED BALL 03 / RED BALL 02 / RED BALL 01
DEAR COACH,

WELCOME TO NET GENERATION!

On behalf of the USTA, we thank you for supporting Net Generation. You are the key to growing the game, and together, we can shape the future of tennis. Net Generation isn’t just a new brand—it’s a comprehensive platform and development program for kids ages 5 through 18. By creating a singular platform for tennis that we all can rally behind, and through the support the USTA will offer along the way, we believe we can grow participation, instill the love of the game in future generations, and ensure that tennis remains a vibrant sport in our communities for years to come.

As U.S. Fed Cup and U.S. Davis Cup captains, former professional tennis players, and parents, we are Net Generation ambassadors because we believe this new approach will benefit the growth of youth tennis. We believe that no other sport is meeting the needs of today’s discerning parents, players, coaches, and community organizations quite like we will with Net Generation.

By registering and becoming an active part of Net Generation, you will get access to the very best in coaching curriculum, digital tools and resources that make teaching, coaching, planning and playing easier, and marketing resources and support to enhance your programs’ visibility. The USTA created Net Generation with you in mind and we hope to hear from you about what is working, what is not, and what materials, curriculum and tools will help you. After all, this is your brand and without your talents as a coach, teacher, and mentor, we cannot inspire kids to get in the game—and stay in it.

This coach’s manual is just one item under the Net Generation brand. It’s comprehensive, competency-based, collaborative, and packaged conveniently online with additional resources to help you customize your approach to teaching the sport you love.

Again, thank you for being a part of Net Generation! Together, we will shape the future of tennis!

INTRODUCTION

Thank you for registering your to Net Generation. It is great to have you as part of the team where our focus is to have more kids playing tennis more often. Net Generation starts with all of us, and we’re here to usher in a new era of tennis in the United States.

Net Generation is the United States Tennis Association (USTA) official youth brand and development program that captures the imagination of parents and children ages 5 through 18. One that taps into the adaptability and creativity children and parents seek when choosing activities.

The following practice and play plans are unique to the USTA and have been developed and designed specifically for you, the coach. In doing so they are:

**COMPREHENSIVE**
Covers the beginner Red Ball to the advanced Green Ball player.

**COMPETENCY BASED**
Spells out the skills and knowledge each player should have before moving to the next ball and court size.

**COLLABORATIVE**
Includes nine levels developed by the USTA Community Tennis and Player Development divisions, USPTA and PTR, and subject matter experts in the field from the U.S. and abroad.

**CONVENIENT**
Lets you select the method of delivery that works best for you—printed manual, downloadable PDFs, or coaches app.

Inside this manual you’ll find four levels of Practice and Play Plans—Pre-Rally, Red Ball 3, Red Ball 2, and Red Ball 1. Each plan consists of eight chapters. We recommend you use each Practice Plan twice before moving on to the next plan. When you finish all the plans, you can start from the beginning again or move certain players to the next level.

Before you get started, take some time to review the necessary equipment, structure of the plans and descriptions of the activities.
**EQUIPMENT NEEDED**

**PLAYGROUND BALLS**
Large, lightweight balls available at most big-box stores.

**BALL BUCKETS**
40- to 60-quart plastic containers or small plastic paint buckets. The large containers can hold playground balls or red balls, and the small buckets are ideal when players work in small groups and need a limited supply of red balls.

**RED BALLS**
Low-compression red felt and red foam.

**POLY-SPOTS AND THROW-DOWN LINES (TDL)**
For targets, recovery spots, court lines, group control, etc.

**HULA HOOPS**
Available at most big-box stores.

**CONES**
Nine-inch and half-cones.

**RED BALLS**
Low-compression red felt and red foam.

**RACQUETS**
23 inches and smaller.

**BEANBAGS**
Can be made or purchased.

**NETS**
If you don't have an 18-foot mini-net, which is designed specifically for a 36-foot court, you can attach things like tennis tape, rope or pendant banners to a standard net or to objects such as fences, teaching carts, hoppers, chairs/benches or cooler stands.
STRUCTURE OF PRACTICE AND PLAY PLANS

WARMUP

Pre-Rally and Red Ball 3 start with a simple activity that gives players a chance to become engaged and the coach time to make final adjustments for the session. As players progress into Red Ball 2 and Red Ball 1, they start with a hitting warmup, during which they start hitting to get the entire body moving, and prepare for the theme of the day.

SKILL DEVELOPMENT

Athletic: For Pre-Rally and Red Ball 3, these are fundamental movement skills that work on the ABCs (agility, balance and coordination), along with sending and receiving skills such as rolling, tossing (underhand), throwing (overhand) and catching. Red Ball 2 and Red Ball 1 focus on fundamental skills for the hands and feet for the ABCs, but add more tennis-specific activities.

Tennis: Skills in Pre-Rally and Red Ball 3 chapters serve as building blocks for serve, rally and score. In Red Ball 2 and Red Ball 1 chapters, skills work on tactics, technique and movement.

GAMES

Players are divided into teams to work on the skills covered in each practice.

CHARACTER (ALL LEVELS)

Practices have a character theme that can apply to both tennis and life.

PLAY AT HOME (ALL LEVELS)

After each lesson, players are assigned specific challenges to practice at home. These can be done independently or with a friend or family member.
DESCRIPTIONS OF ACTIVITIES

TYPE

Individual: Independent skill development.
Team: Two or more players.
Cooperative: Pairs or groups focused on improving skills together.
Competitive: Scoring and declaring a winner.
Hand-Feed: How the ball is introduced into the activity; can be by player or coach.

FOCUS
Specific areas to work on.

SETUP
Location of players, balls and equipment.

MISSION
WHAT we want players to do, followed by bullets with specific instructions.

GOAL
HOW we want players to execute the activity, generally related to a specific competency.

PROGRESSIONS
Specific steps to increase difficulty of the skill/activity, to be used in subsequent practices or to handle mixed abilities.
OBJECTIVE
Lay the foundations for serve, rally and score.

SAMPLE LESSON PLAN

CHAPTER 01

MEET THE BALL

Equipment: 18-foot mini-net, caution tape or any type of rope; 19 and 21-inch racquets; playground balls and red balls; beanbags, nine-inch cones, small buckets/containers, poly-spots and TDLs.

I. WARMUP

TAG VARIATIONS

Setup
- Players spread out in defined spaces with four to six in each area.
- Can use cones to establish playing area.

WALKING TAG

Mission
- One player is “it.” Anyone moving must walk.
- Once tagged, move outside playing area, do five repetitions of a fun exercise such as donkey kicks or “I’m a Star” jumps, then come back in.
- Rotate “it” player every minute or less.

Progressions
1. “It” player moves freely (running, etc.); others walk.
2. In a smaller area of play, “it” player walks; others move freely.

SIDE-SHUFFLE TAG

Mission—One player is “it.” Anyone moving must side-shuffle.

Progression
“IT” player moves freely; others must side-shuffle, or vice versa.
II. CHARACTER

RESPECT
• Smile and say hello.
• Introduce yourself to your coach and new tennis friends.

III. ATHLETIC SKILLS

ICE-CREAM CONES

Setup
Players spread out around entire court, each with red ball and cone.

Mission
• Toss, bounce and catch ball in upturned cone.
• Call out different ice-cream flavor after each catch.

Progressions
1. Alternate between catching after bounce and catching in the air.
2. How many scoops can you catch in a row?

ICE-CREAM CONES WITH PARTNER

Setup
One player catches, other tosses.

Mission
• Toss ball up at least head level.
• Bounce and catch in upturned cone.

Progressions
1. Increase height and distance once successful.
2. Catch with opposite hand.
3. Toss with opposite hand.
IV. TENNIS SKILLS

WALK THE DOG

**Type:** Individual.

**Focus:** Racquet skills while rolling.

**Setup**
- Up to four players on one sideline (both sides of net).
- Each player has red ball, racquet and poly-spot.
- Place poly-spots on opposite sideline, aligned with each player.

**Mission**—Roll ball to poly-spot and return.
- Roll ball with edge of racquet to opposite sideline.
- Stop ball on poly-spot with edge of racquet, roll back to sideline and stop ball again.
- Need help? Use big ball.

**Goal**—Roll successfully without using other hand.

**Progressions**
1. Use backhand.
2. Zigzag to spot and back by using both sides of racquet.
3. Let players pick.

**TEACHING TIP**
Foam balls tend to get “stuck” against the racquet when rolling along ground. Use a red felt ball instead to keep racquet steady.
WALK THE DOG WITH PARTNER

**Type:** Cooperative, players in pairs.

**Focus:** Racquet skills and sending with direction.

**Setup**
- Players in pairs with racquets and one red ball.
- Pairs spread out on one sideline, two pairs on each side of court.
- Place poly-spot on both sidelines for each pair.

**Mission**—Roll ball to poly-spot and send back on ground.
- Start on sideline and roll ball with edge of racquet to opposite sideline.
- Stop ball on poly-spot, turn and send ball along ground back to partner, and walk back to starting sideline.
- Partner stops ball with racquet, repeats.
- Need help? Use big ball.

**Goal**—Send ball along ground with control and hit poly-spot.

**Progressions**
1. Use forehands and backhands.
2. Zigzag to spot using both sides of racquet.
3. Let players pick.

---

**TEACHING TIP**

When rolling the ball along the ground with the edge of the racquet, the goal is to keep the ball against the racquet the entire time. When players are “sending” the ball with the racquet, they’re gently pushing the ball to a partner/target using an abbreviated follow-through.

---

V. TEAM CHALLENGE
ADD 'EM UP

Type: Individual, team.

Focus: Sending with direction.

Setup
- Four to eight players per half-court.
- Align cones or poly-spots six to eight feet inside baseline. Cones should be numbered; poly-spots will have a color.
- Place TDLs on baseline to indicate players’ positions, with a supply of balls for each player.

Mission—Hit cones/spots by rolling ball with racquet.
- Players aim at cones/spots in front of them and score points each time they hit one.
- Change positions after a certain number of hits.
- Add up scores as a team to see if they can get to a certain number, or play by time and go for a “team best.”
- Need help? Roll with hand.

Goal—Make adjustments with feet and racquet angle when aiming for different targets.

Progressions
1. Coach or player calls out color/number.
2. Use backhands and forehands.
3. Drop-hit to cones/spots.

ILLUSTRATION: ADD 'EM UP
**Bullseye**

**Type:** Individual, team activity.

**Focus:** Sending with direction.

**Setup**
- Two teams of three to four on each side of net.
- Each team has supply of red felt balls.
- Service box is “big target.” Use TDLs to create another “small target” inside service box (about half the size of box). Place a poly-spot in center of small target.

**Mission**—Send ball along ground and try to hit bullseye.
- Take turns tapping ball with racquet (palm forward) from baseline toward service-box target.
- Create scoring system for different target areas.
- Add up teams’ scores to see if they can get to a certain number, or play by time and go for a “team best.”
- Need help? Use hands to roll.

**Goal**—Control racquet with limited motion.

**Progressions**
1. Start further behind baseline.
2. Use backhands and forehands.
3. Drop-hit to targets.

---

**Teaching Tip**

To help with scoring, put seven half-cones in a line on one side of the court. For each point scored, turn cone upside down. Goal is to get to seven.
VI. PLAY AT HOME

TOSS TO WALL AND CATCH

Setup
Play with red ball against garage door or any solid wall.

Progressions
1. Toss ball to wall, let bounce, catch with two hands or one.
2. Start with throws, then tosses.
3. Play with a friend and alternate.

TEACHING TIP
“Play at Home” will usually be an activity that has already been covered in practice. Try to keep instructions brief, and more than anything, inspire them to want to play more!
