INTRODUCTION

Thank you for registering your to Net Generation. It is great to have you as part of the team where our focus is to have more kids playing tennis more often. Net Generation starts with all of us, and we’re here to usher in a new era of tennis in the United States.

Net Generation is the United States Tennis Association (USTA) official youth brand and development program that captures the imagination of parents and children ages 5 through 18. One that taps into the adaptability and creativity children and parents seek when choosing activities.

The following practice and play plans are unique to the USTA and have been developed and designed specifically for you, the coach. In doing so they are:

**COMPREHENSIVE**
Covers the beginner Red Ball to the advanced Green Ball player.

**COMPETENCY BASED**
Spells out the skills and knowledge each player should have before moving to the next ball and court size.

**COLLABORATIVE**
Includes nine levels developed by the USTA Community Tennis and Player Development divisions, USPTA and PTR, and subject matter experts in the field from the U.S. and abroad.

**CONVENIENT**
Lets you select the method of delivery that works best for you—printed manual, downloadable PDFs, or coaches app.

Inside this manual you’ll find three levels of Practice and Play Plans—Orange Ball 3, Orange Ball 2 and Orange Ball 1. Each plan consists of eight chapters. We recommend you use each Practice Plan twice before moving on to the next plan. When you finish all the plans, you can start from the beginning again or move certain players to the next level.

Before you get started, take some time to review the necessary equipment, structure of the plans and descriptions of the activities.
# EQUIPMENT NEEDED

GAMES
Skills learned from practices will be applied to tactical situations during games.

CHARACTER
Practices have a character theme that can apply to tennis and life.

PLAY AT HOME
After each lesson, players are assigned specific challenges to practice at home with friends or family, or on the court.

CHAPTER 01

KEEP IT DEEP

Equipment: Blended lines or TDLs for 60-foot court; 23 to 25-inch racquets; orange balls; cones, poly-spots and TDLs.

I. WARMUP

GRADE SCHOOL

Type: Cooperative, players in pairs.

Focus: Groundstroke consistency.

Setup
• Two pairs per court, using half-court.
• Both players start in middle of service box.

Mission—Rally and work your way to baseline.
• Rally back and forth. Hit one each and move to first grade.
• Once in first grade, rally two shots each and move to second grade.
• Continue until you reach sixth grade, then move to start over from service line, then baseline.

Goal—Increase size and length of swing as you move further back.

Progressions
1. One stroke.
2. Ball must bounce past service line to count.

ILLUSTRATION: GRADE SCHOOL
II. CHARACTER

EFFORT
• Enjoy playing and giving your best.
• Rate your own effort.

III. ATHLETIC SKILLS

OBSTACLE COURSE

Setup
• Use four cones to create an 18x18-foot square in center of court on each side of net. Keep square a safe distance from net.
• Four to six players per square.

Mission
• Proceed from cone to cone using different movements. Next player goes when previous player reaches second cone.
• After each player has gone twice, change movement.

Progressions
1. Carioca. Alternate facing in at one cone, out at next.
2. Skip. Change direction at each cone—forward, sideways, backward, sideways.
3. Sprint. Run to cone and stop, balanced on one leg, then run to next cone and stop, balanced on other leg.
4. Circles. Run to each cone and make a complete circle around it. Face same direction entire time.

ILLUSTRATION: OBSTACLE COURSE
JUMP TO THE LINE

Setup
• Stand two to three steps behind baseline or sideline.

Mission
• On coach’s command, jump as close to line as possible.
• Emphasize low, athletic stance before jump and on landing.

Progressions
1. Jump to line with toes as close as possible.
2. Jump over line with heels as close as possible.
3. Jump sideways close to line.
4. Jump sideways over line.
5. Jump backward.

MAKE ‘EM MOVE

Setup
• Players in pairs, with orange ball and TDL.
• No more than three pairs spread out on each side of net.
• Pairs face each other, four to six feet apart.
• One feeds, other catches.
• Catcher uses TDL as “home base.”

Mission
• Make catcher move by tossing balls side to side, high/low, and deep/short. Catch on one bounce.
• Catcher uses right hand on right side, left hand on left.
• Once successful, toss balls slightly above catcher’s head. Catch one-handed in the air.
• Switch roles every minute.
• Need help? Move closer.

Progressions
1. For high ball, catch with opposite foot and hand.
2. Increase distance between pairs.
IV. TENNIS SKILLS

SQUEEZE RALLY

Type: Cooperative, players in pairs.

Focus: Direction on groundstrokes.

Setup

• Two pairs per court, using half-court.
• Players start on opposite service lines with two TDLs each.
• Start with doubles line as one boundary and TDLs as other.
• Place TDLs parallel to each other to create a straight line.

Mission—Control rally within court boundaries.

• Start rally with straight-ahead serve and return.
• Rally four balls (two each) in boundary and yell “Squeeze!”
  Then move TDLs in one racquet length.
• Continue until boundary is too narrow.

Goal—Extend follow-through to help direct ball into boundaries.

Progressions

1. Increase number of shots required.
2. Any stroke, then one stroke.
3. Move back to baseline.

TEACHING TIP

When players move from 36- to 60-foot court, avoid changing both the ball and the racquet at the same time. Starting with an orange ball on the service line of the 60-foot court is a great way to begin. Then bring them back to the baseline and change their racquets when they become more comfortable.
V. GAMES

SERVE PLUS ONE

Type: Cooperative with partner.

Focus: Serve and return direction and consistency.

Setup
• Two pairs per court, each hitting diagonally across net from each other.
• Players start on service line.

Mission—Execute serve, return, and first ball.
• Serve, return, hit one ground stroke, and trap ball.
• Returner serves and continues sequence.
• Each player completes four sequences, then switches sides of court (deuce to ad).
• After a complete rotation, play as a game. Pair scores a point for each three-ball sequence, and a bonus point if server hits first groundstroke past service line.

Goal—Use continental grip on serve with feet in proper position.

Progressions
1. Start on baseline.
2. Serve to specific half of service box.

BUDGE

Type: Cooperative, players in pairs, and competitive.

Focus: Groundstroke consistency.

Setup
• Need at least six players to be effective.
• Players in pairs rallying on half-court, two pairs per court.

Mission—Keep ball in play.
• Coach assigns different number of balls for each court to rally. Points begin with serve.
• An example for six players would be top court must rally 10 straight, middle court must complete eight, and bottom court six.
• Players yell “Budge!” when they reach their rally number.
• If bottom-court players yell “Budge” first, they trade places with middle-court players.
• If middle-court players are successful before top-court players, they trade places with top-court.
• Make adjustments to number of shots required based on how many players are involved.

Goal—Use a combination of spin, height and speed to improve consistency.

Progressions
1. Use single stroke.
2. Crosscourt with outside stroke.
IV. PLAY AT HOME

ALTERNATE WALL RALLY

Setup
Play with foam ball against garage door or solid wall.

Progressions
• Serve overhand to wall, hit one groundstroke and then other. Continue to alternate.
• Serve to left, then right side of wall and then alternate shots.
• Serve to wall and rally with a friend.
